

Omni-ID Sense Shield

Wearable BLE beacon with Quuppa technology for sub-1-metre contact tracing and personnel tracking. Enables social distancing monitoring and worker safety alerts in warehouses, hospitals, ports and construction yards.

RF SPECIFICATION

Radio Protocol	Bluetooth, NFC
Supported Profiles	Quuppa
Location Accuracy	Sub 1 metre
Battery Type	Replaceable CR2032
Battery Capacity	225 mAh
Battery Life	6 months (10h moving/day + 14h stationary/day)
Visual Indicator	Bi-color LED

PHYSICAL SPECIFICATION

Size – Lanyard/Belt Clip	50.1 × 44.5 × 13 mm
Size – Watch Strap	44.5 mm bezel
Material	2-part durable plastic case
Attachment	3 variants: lanyard, belt clip or watch strap

ENVIRONMENTAL SPECIFICATION

Operating Temperature	-10°C to +60°C
IP Rating	IP68
Certifications	CE, FCC, RoHS, NFC, Bluetooth

FEATURE HIGHLIGHTS

- Bluetooth + NFC with Quuppa – sub-1-metre personnel tracking
- 6-month battery life (CR2032) – audible alert on distance breach
- IP68 – 3 variants: lanyard, belt clip or watch strap
